

Ledbury Walkers' Club

Written by Brian Hudson

Wednesday, 09 January 2019 19:28 - Last Updated Wednesday, 09 January 2019 19:28

The club is now in its 24th year of operation and has around 100 members from Ledbury, Malvern, Ross-on-Wye and other parts of Herefordshire, Gloucestershire and Worcestershire.

We walk most Thursday mornings starting at 10:00am. The walks are usually around 5 miles in length and generally start within a 15 mile radius of Ledbury town. In the summer months we sometimes have short evening walks, and a few at weekends. From time to time, walks start from a pub in the area that will provide food, drink and relaxation after the walk is over. Occasionally, we have 8-11 mile 'all day' walks at venues further afield, where participants bring along their own picnic lunch. These walks are usually planned for a Saturday.

We meet at the start point given in the Club programme, which also gives an indication of the distance and time to reach the start point from Ledbury. Any car sharing arrangements are made on an informal basis between members.

The walks programme can be obtained from the Club Secretary or the Walks Organiser, whose contact details are given below.

The Tourist Information Centre at Ice Bytes café (and the Heritage Centre in season) have leaflets for sale for nine different walks prepared by the club, which either start from Ledbury, or start a within a short distance of the town.
