LADS presents  
Blithe Spirit

An improbable farce by N

The smash comedy hit of the West End and Broadway stages, this Noël Coward classic brings us fussy, cantankerous novelist Charles Condomine, re-married but haunted (literally) by the ghost of his first wife, the clever and insistent Elvira. After he invites the “happy medium”, one Madame Arcarti, to conduct a séance at their home, Elvira returns from the dead...

Chaos ensues!!
