

New User Registration

Written by Administrator

Thursday, 10 January 2013 11:19 - Last Updated Thursday, 24 December 2015 12:47

If you want to register as a new user on the Ledbury Portal please contact us by [email](#)

Supply us with your preferred Ledbury Portal user name and we will use this and your email address to set up your individual account. You will be given a unique password, which we will prompt you to change immediately.

Unfortunately, we cannot use our previous front end system of registering new users due to a Joomla failure to block spam accounts.

"Spam, spam, spam, spam, spam...."
