Yet another great night out at Ledbury's musical hotspot [The Retreat](#) thanks to the everchanging and boxfresh sets of the 'almighty'

[Fylthe](#)

supported soundly by the powerful yet easy listerning style of

Black Cat Bone

. For those unfortunates who where not able make it I managed to capture a few moments slightly filtered through my beer goggles, but to truly appreciate the raw talent of either band I strongly recommend that you get out there and witness them for yourself.
