Hearing that the Herefordshire CAMRA Pub of the Year 2009 runner-up award ceremony was to coincide with the regular music session at the Prince of Wales last Wednesday, local musicians turned out in force to give the CAMRA crew a real musical treat as Mark Haslam presented the award to winners Les, Elaine and Russ Smith and their product-knowledged tireless team of expert staff.

The award itself!

Les, Elaine and Russ wish to convey their thanks to the musicians for what was a memorable evening.
