Another extraordinary Prince of Wales session last night. About a dozen musicians in the "nook". Pictured here: Neil Poulter and Kim Turnbull playing one of their trademark Eastern European numbers. Top class stuff!

The Prince sessions are every Wednesday from 8pm until 10.30pm. I guess we're in competition with some other Wednesday sessions in the area but you don't have to dump your loyalties just to have a change occasionally. The Prince sessions are true sessions (not open mic) and so joining-in is positively encouraged. *Go on - freshen your expectations!*
