

Excavations of Eternity

Written by John Eager

Saturday, 26 July 2008 00:00 - Last Updated Wednesday, 06 August 2008 12:53

Nick Alexander reads five of his poems which are interpreted by Jeanette McCulloch's artwork.

The poems and pictures are currently on display at Ice Bytes and are part of the Ledbury Poetry Festival. Nick's two poetry anthologies and limited prints of Jeanette's art are available now at Ice Bytes.

This video compilation was filmed at Ice Bytes, hence the accompaniment of familiar cafe background noises.
