

'Flu Season

Written by Elizabeth Salter

Sunday, 12 December 2010 11:42 - Last Updated Tuesday, 21 December 2010 13:01

Ten-a-penny bugs for free
Down at the doctor's surgery.
Come,oh,come and sit by me
Exchange is never robbery.

Better bugs you ne're will find-
This I often call to mind.
Over 65's they say
Carry some immuni-tay.

So winter flu just fade away
Attack us not another day,
But let us have our Christmas time
Fit and well and in our prime.
