

Ledbury Art Society (LAS)

Written by Lavender

Monday, 03 October 2011 11:21 - Last Updated Friday, 14 October 2011 15:42

LAS Winter Season begins on Tuesday 04 October with a demonstration.

Tuesday 4th October Demonstration: Jackie Cox Pastel Landscapes

Jackie is a local artist with a studio in Longhope and works in many medias including pastel, watercolour. Her work covers both landscape, nature and animal portraits, she also makes silver and bead jewellery that she exhibits and sells from her studio.

Our membership fee for 2012 is £15, with additional small charges to cover costs for each individual meeting attended.

Overall this represents excellent value for money, as we are a non-profit making organisation. If you attend all workshops, demonstrations and other activities you will be paying less than the cost of an average one day art course. And included in our modest charge we have demonstrations and workshops from some top professional artists!

New members are welcome!
