It is with great sadness that I have to report the passing away of Dulcie George, early on Tuesday 8th March, at Holmer Nursing Home in the north of Hereford. Hawcutt Funeral Directors say they have been contacted to make the funeral arrangements. They anticipate the funeral will take place on Monday 28th March, but are unable to confirm time or place as yet.

Dulcie was a regular at the **Prince of Wales music sessions** on **Wednesday** evenings until about 2 years ago, when she sustained a fall in her own home. Her speciality was Scottish airs, and musicians led by Beth Galvin played and sang 'Loch Lomond' last Wednesday as a tribute.

Dulcie often brought her camera to these sessions to take photos of musicians. Not digital - steam-driven! One of her other photos introduces the [Gallery](#) section of the Portal.

Our condolences go out to her family.

**Dulcie George**
