The Ledbury Community Portal is currently being targeted by at least one individual who is attempting to leave extremely abusive comments about other Ledbury Community Portal users.

This behaviour is against the rules of the Portal and will not be tolerated. The user's details and comments will be passed on to the relevant authorities as will any other user who attempts to use the Ledbury Community Portal to abuse or harrass other people.

Comments have been temporarily disabled on the Portal, until this situation has been rectified.
